Setting of Vote On Annexation May Bring Suit

Friendly Acres Row Over Joining City Headed to Court

Friendly Acres' friendly (?) dispute over annexation to Redwood City appeared headed for the courts today as the result of action taken and threats voiced at Monday night's meeting of Redwood City's city council.

The action was that taken by the council in culminating more than an hour's discussion of the subject after protests representing 197 parcels of property had been presented.

Since the protests represented less than 50 per cent of the 482 parcels in the area to be annexed, the council voted unanimously to call an annexation election for Sept. 5 in the area located just south of Redwood City on the west side of Bayshore Hwy.

The action brought a threat from Atty. Ephraim Adams, a resident of the district, of court action either to halt holding of the election or to invalidate it in case its results favored joining of the area to the City of Redwood City.

DELAY NOT LEGAL

At the outset of the hearing last night, which City Atty. Albert Mansfield had first planned to have postponed two weeks but later explained that he had found such delay could not be effected legally, the arguments began pro and con on the annexation question, as they had five weeks ago when the hearing was set.

Opponents, led by Adams, claimed that Attorney Mansfield had stated at the May 1 council meeting that each property owner had only one protest regardless of number of parcels of property he owned. Adams contended this was wrong. Mansfield agreed, declaring he remembered making no such statement.

Because of this understanding, or rather misunderstanding, Adams contended that many of the protestants did not list all their parcels of property—hence did not present as many protests as they are entitled to. The law, as explained at last night's session, provides that if owners of more than half the parcels of property protest the annexation election, it can not be held. Otherwise, the council must call the election.

'ACTION MANDATORY'

B. J. Smith, leader of the annexationists, urged that the council take the latter action.

"I think it is mandatory for this council to take such action."

City Attorney Mansfield agreed, but Attorney Adams contended that he believed the whole procedure was faulty in that the legal notice of the hearing "was incomplete" since it did not explain that property owners could enter one protest for each piece of land held.

"If this council decides at this meeting to go ahead and call an election, I'll file an action to enjoin it," he threatened.

Later, outside the council chambers in the courthouse, he said that he might file "several" suits.

COUNCILMEN TELL STAND

The discussion served to bring out opinions of the councilmen and city attorney on merits of the annexation proposal. Councilman Paul A. McCarthy argued for it.

I can see the possibility of Friendly Acres becoming a fine addition to Redwood City," he stated, recalling the fact that some years back White Oaks, now in San Carlos, might have been annexed to Redwood City.

Councilmen George W. McNulty, Harold F. Anderson and Robert N. Jones declared they did not care whether or not the territory came in.

City Attorney Mansfield, plainly provoked at the trouble and work being caused him, exploded: "I hope you don't come in." Councilmen William Hohn and Evans A. Fletcher were absent.

Finally, however, it was decided to call the election for the September date. It will be held at the home of T. A. Peterson, 535 Hoover St., with election officers being Mrs. Charles R. Earling, 416 Hoover St.; Mrs. Marguerite McKibbin, 848 Eighth Ave., and Mrs. Chloda B. Schafer, 834 Fifth Ave.

Residents of the district must be registered at least 40 days prior to the election to be eligible to cast ballots. A majority vote is needed to carry.

In introducing the ordinance calling the election, councilmen stipulated that expenses of publication would not be incurred till after adoption of the ordinance at the next meeting June 19—if nothing occurs in the meantime to prevent its adoption.

Boat Ride to Treasure Island Is Sad Financial Failure

**** *** *** *** *** ****

EVEN HAT PASSING FAILS TO OFFSET LOSS

It was a great day for more than 700 funmakers on the ferry Yerba Buena Sunday as it steamed from the Port of Redwood City to Treasure Island and then to the North Bay and back again.

But for the four Junior Mariners who made the trip, and their skipper, Capt. L. F. Bosshardt, it was rather an unhappy occasion.

For their one supreme effort to sponsor something that would bring them some money towards purchase of a training ship was a rank failure, financially.

As Captain Bosshardt disembarked at San Francisco after the ferry had discharged some 200 persons at the World's Fair, he disclosed that the boat ride was going to cost him in the neighborhood of $150—maybe more—from his own pocket.

With the example before them of the Apr. 30 ride where the Redwood City Junior Chamber of Commerce had cleared about $800, Captain Bosshardt and his class had hoped to realize enough money for the start of a fund to purchase a good-sized training ship to replace the Meta K, small motor-sailer which has been loaned to them for a year and a half by former County Engineer George Kneese. It is too small to permit the class to be enlarged to fulfill the demand now made upon it, however, and it soon will be sold—if a pending deal is completed.

60 SEEK ADMISSION

Some 60 boys have indicated they would like to join the captain's next class, which is conducted free of charge to the boys to fit them for jobs on the sea. Already 23 boys have been placed in worthwhile positions through Bosshardt's spare-time efforts, for which he receives no compensation—in fact, has put out much money himself.

In the captain's absence from the return trip last night—he had to leave at San Francisco to do a job for his employer, the Standard Oil Co.—several men aboard the ferry passed the hat to obtain funds to help offset the deficit. The total received was $29.51.

Expenses of the ride included $680 for the ferry; $50 for a prize; tickets, window cards, loudspeaker hire, and other incidentals of which the sum is not determined.

Some 700 tickets were sold, some of them at 50 cents for children.

START DELAYED HOUR

Lack of a crowd on the boat proved to make the trip more enjoyable for participants, however, and they did seem to have fun despite an hour's delay in the start and despite the fact several planneed events did not materialize.

Captain Bosshardt had planned to have the ferry anchor in the Golden Gate at sunset, and then circle Treasure Island on the return trip. But in his absence, the Key System operators had the ferry approach the Golden Gate at 5 p. m. and the bright lights of the island were seen only as the Yerba Buena made a hurried departure from the fairgrounds at 7:55 p. m.

Sally Rand, famed fan dancer, came through 100 per cent, however, even if she did delay the start of the trip when she couldn't arrive till 2:25 p. m.

Introduced by Master of Ceremonies William M. Werder, the gracious Miss Rand spoke to those on the ship, paying tribute to Captain Bosshardt and his work, complimenting Redwood City for a number of things, and giving autographs by the score. As she left the ferry at Treasure Island, she posed for numerous pictures for exposition publicity purposes. Miss Rand made no charge for her services.

ANOTHER NEXT SUNDAY

The North Bay cruise went as far as Richmond, the ferry returning to Treasure Island just as the lights went on.

The return trip by moonlight ended a few minutes before 10 o'clock.

Next Sunday the same ferry is scheduled to leave the Port of Redwood City at 9:30 a. m. for a similar 8-hour cruise under sponsorship of the Belmont Chamber of Commerce, which is substituting the boat ride for the annual community picnic. Tickets are $1 each.

Local Librarians To Aid Conference

"The year 1939 will be a memorable one for libraries and librarians of California," according to Miss Wilhelmina Harper, librarian of the Redwood City Public Library.

The reason for this pronouncement is that the American Library Association is to hold its annual convention in San Francisco from June 18 to 24.

Headed by Librarian Harper, several members of the staff of the Public Library as well as members of the local board of library trustees, are making plans to attend this 61st annual conference.

The California Library Association Convention for 1939, which is to be held coincidentally with the American Association meet, will be limited to one day this year, according to Sydney B. Mitchell, president of the California Library Association. The shortened program has been adopted to give every librarian the opportunity to attend the American Library Association sessions, it having been nine years since the national association met in California.

A program of outstanding professional interest has been arranged by the Association President, Dr. Milton J. Ferguson, librarian of the Brooklyn, N. Y., public library and his staff of committee chairmen.

The local librarians serving on the various committees are Miss Harper, acting as one of the hostesses at the Newbery Medal Award banquet and at the tea for editors, authors, and illustrators of children's books. Miss Doris Garcelon serves at the information desk. Mrs. Janet Lauer is on the flower committee, and Miss Esther Firth serves with the section for library work with children and assists at the tea for editors and at the Newbery Award banquet.

BANKER'S CAR 'GOING FAST'

SOUTH SAN FRANCISCO, June 8 — A coroner's jury which returned an open verdict in the death of William Walsh, 45, at Grand Ave. and Bayshore Hwy. May 16 reported today that it felt "that the car of Banker O. Tobin was being driven at an excessive rate of speed" when it hit the man. Chauffeur Robert Davidson was driving the auto.

Hammering Only One Disturbance In Board Meeting

Ill-omen as the board of supervisors unceremoniously met in their new courthouse annex room Tuesday for the first time was the rapping of three hammers on pipes outside the windows, delaying start of the meeting for several minutes with a din that made transaction of business impossible.

The meeting was but a few minutes old when Executive Frederick Peterson clashed with the supervisors on adoption of a new county plumbing and gas appliance ordinance.

Peterson demanded immediate adoption. Supervisor John A. Lynch said he would refuse to consider the proposed ordinance until he had been given an opportunity to read it.

"This is like signing a blank check," declared Lynch in the face of efforts to push the ordinance through. "I'm not going to sign my name to it without knowing what's in it."

The ordinance was referred to Supervisors John W. Poole, Chairman H. H. Smith and Supervisor Fred E. Beer, who were directed to have the ordinance in pamphlet form within two weeks for possible adoption by reference.

The action had the approval of William Logue, business representative of the plumbers' union.

Logue argued that the ordinance had been in process of organization for two years, involved few changes, would increase standards of plumbing and safety of gas installations, had unanimous support of union and merchant plumbers, would standardize practice throughout the unincorporated areas and would add little to costs of construction.

The ordinance was approved by County Building Inspector William Watson Jr.

San Mateo County General Contractors Association through H. A. Robinson, secretary, requested that they be consulted and be given opportunity to inspect the ordinance before its adoption.

Peterson urged immediate adoption on Watson's approval, declaring the board should have confidence in the man they insisted he should re-appoint.

Later he admitted that printing the ordinance in pamphlet form would save advertising costs and that nothing would be gained in voting on the ordinance today.

Atty W. H. Morrissey submitted to the board a financial report for Agricultural District 1-A showing total expenditures of $1,526,657.90 on the Bayshore City "cow palace."

The board adjourned to 2 p.m.

City Given Boost In Realty Magazine

Appearing in the 1939 California Real Estate Magazine's "Blue Book," which had been received today by Secretary-Manager Roscoe D. Wyatt of the Redwood City Chamber of Commerce, is a summary of the vital statistics of San Mateo County, of all the cities in the county, and a half-page advertisement explaining "the reason why Redwood City."

The annual special issue of the magazine is regarded by realtors as the prime source of accurate information on cities and counties in the state, according to Wyatt.

Included in the Redwood City advertisement are pictures of activity at Port Redwood City and of the city's sign bearing the slogan "Climate Best by Government Test" at Broadway and El Camino Real.

Burlingame Students Elect Girl President

BURLINGAME, June 6—For the second time in the school's history, Burlingame High School is to have a co-ed as student body president.

Janet McClanahan, blonde Hillsborough daughter of a Standard Oil Co. executive, gained that honor last night when the student council selected her unanimously to head the student body next Fall, succeeding Walter Morris.

Miss McClanahan has long been active in student affairs and girls' athletics at the school. She is the daughter of Mr. and Mrs. E. J. McClanahan of Oakdale Rd., Hillsborough.

Sorensen's Bid Low on P. A. Job

Peter Sorensen, Redwood City contractor, was low bidder on Palo Alto's new library extension when bids were opened by the board of public works in that city Monday afternoon.

Sorensen's offer of $14,969 to construct the wing on the west end of the central building and an inside stairway to the basement was referred to the city engineer, who will recommend to the board whether or not the bid be accepted. The board then refers the matter to the city council for action. Likelihood was that Sorensen would win the contract.

His bid was the lowest of six, highest being $19,760. Second lowest was $16,637. The engineer's estimate had been slightly under $14,000.

Great Britain controls 13,000,000 square miles of the earth.

Baccalaureate Set on Sunday

Three hundred eighteen Sequoia teniors, tentatively scheduled to graduate, this week began preparations for the annual baccalaureate and commencement exercises which will be held Sunday and Friday, June 16, respectively.

The largest graduating class in the history of Sequoia will hold its annual Senior Service Sunday at 8 p. m. in the auditorium, with the Rev. Charles E. Ward, pastor of the First Congregational Church, presiding over the religious program, which is arranged by the Ministerial Union of Redwood City.

This year's sermon will be delivered by Rev. Schuyler Pratt, rector of the St. Peter's Episcopal Church. Other ministers who will participate in the services are Rev. Eldred J. Clark, pastor of Menlo Park Presbyterian Church; Rev. Victor Lundgren, pastor of Free Methodist Church; Rev. R. T. Edgeworth, pastor of First Baptist Church; and Rev. Burton N. Palmer, pastor of Woodside Congregational Church.

Music students under the direction of Otis M. Carrington and Max L. Gelber also will participate.

In the beautiful outdoor setting of the Sequoia campus, in front of the main building, commencement exercises will be held. Besides the usual participation by school musical organizations, the combined Sequoia orchestra and Westbay Symphony will play the processional and recessional.

Student Speakers Howard Melton, Pherron Muchmore and Ruth Myers will address the audience on "Youth Prepares for Tomorrow," "No More Wars," and "Think on These Things," respectively.

Charles H. Merrill, president of the board of trustees, recently elected for another term, will award the diplomas. Principal A. C. Argo will present the class. Jerry Foster, senior class president, will present a gift to the school.

Among the awards to be distributed at this time will be the scholarship, history, debating, athletic, girls' athletic, Sequoia Players, service, shopcraft, perfect attendance, California Scholarship Federation and PTA scholarship awards.

Francis E. Quinlan, Coast Native, Dies

HALF MOON BAY, June 6—A three months' illness ended in death early today at a San Mateo hospital for Miss Frances E. Quinlan, who was born in this Coastside community 58 years ago and had spent her life here.

Miss Quinlan, a member of Council 2, U.P.P.E.C., was the sister of State Highway Patrolman John H. Quinlan, with whom she lived; Joseph P. Quinlan, South San Francisco postmaster, and of the late Thomas F. Quinlan and the late Mary T. Quinlan. She was the daughter of the late Peter and Johanna Quinlan, Coastside pioneers.

Friends are invited to attend the funeral Friday at 8:30 a. m. at the Dutra Funeral Home. At Our Lady of the Pillar Catholic Church, a solemn high requiem mass will be celebrated for the repose of her soul beginning at 9 a. m. Interment will be in the Catholic Cemetery at Half Moon Bay.

MENLO PARK NEWS NOTES

CELEBRATES 25th ANNIVERSARY

MENLO PARK, June 9.—The 25th anniversary of the ordination to the priesthood of Father Thomas McKeon will be observed on June 20. Respecting the priest's wishes, there will be no reception or entertainment for him by the parishioners. However, in tribute to their beloved pastor the members of the church will attend mass and receive Holy Communion on Sunday, June 18. In addition, a spiritual offering of masses and prayers will be given to the father.

Father McKeon was ordained to the priesthood at St. Patrick's Seminary on June 20, 1914. His first assignment was at Menlo Park as assistant. From here he went to San Rafael and from there to Calistoga, coming here as pastor five years ago. Father McKeon has done splendid work during his pastorate, making many needed improvements on the church property and by his devotion and energy has also built up a large congregation.

Charles Meinert and Charles De Lacey, representing the North Fair Oaks Improvement Club, appeared before the town council Monday evening and invited the members and the public to be present at the opening of the Flood Park on July 4th. Refreshments will be served free and the large swimming pool will no doubt be a big attraction for the youngsters. The land for the playground was given to the public by Mrs. James Flood. It is located on the north side of Bay Rd. and has a splendid grove of oak trees. It is an ideal spot for an outing.

The fashion show and entertainment are to be given by the Native Daughters of the Golden West on June 28 at the Central School. The daughters are putting all their energies to make this the big event of the year.

Mr. and Mrs. Robert Ricker, who reside on Hover St., have returned from a two-week vacation spent at the Grand Canyon, Salt Lake City, and other places in the Northwest. Mr. Ricker is a San Francisco mail carrier. Many others in the same department of the government live in Menlo Park—on account of the climate, no doubt.

Mrs. Catherine Derry and Mrs. C. Maloney attended the ordination of Rev. Spooncer to the priesthood at St. Mary's Cathedral last Saturday. Mrs. Derry is the aunt of the young clergyman and Mrs. Maloney, a cousin. The young priest spent 12 years at St. Patrick's Seminary in preparation for his life work.

The wedding of Miss Beatrice Doyle and Ernest A. Arsenio at the Church of the Nativity last Saturday afternoon drew a large crowd of relatives and friends. After the ceremony a reception was held at the home of the bride's parents in Atherton.

Mr. and Mrs. Arsenio will make their home in Redwood City, where Mr. Arsenio is employed.

Miss Carmel O'Keefe will leave shortly for Lake Tahoe where she contemplates spending the greater part of the Summer.

The Sacred Heart Academy had its commencement on Tuesday. Among the graduates was Miss Joan De Benedetti of San Mateo, who entered the institution as a little girl 10 years ago. She is a brilliant and accomplished young woman and a musician of note. Miss De Benedetti will enter Stanford next Fall. Her vacation will be passed at the De Benedetti estate at Lake Tahoe where the attractive young girl will entertain a number of her classmates.

At the election held last Friday J. W. Morey was elected grammar school trustee and Charles Merrill and J. Barrett high school trustees.

Menlo Park Squadron 443, Sons of the Legion, will wear their new uniforms when they assist in the flag raising ceremonies at the Exposition on San Mateo County Day, June 11.

Isabelle Weeden Lindquist, soprano, and Victor Peschke, tenor, will assist at a dedication ceremony given in the War Memorial Building in Palo Alto Monday, June 12. The Spanish American War Veterans are presenting the program.

Fire Chief Hara was a guest at the Ravenswood Grange Tuesday, June 6, before the regular meeting. He showed colored moving pictures taken of the recent Founders' Day parade held in Menlo Park.

Isabel Garcia, local girl whom the Menlo Park Lions Club sponsored in a series of debates, has been successful in adding new laurels to her already hard-earned honors. She will compete in the Beverly Hills contest on June 19th.

The Palo Alto Rebekah Degree staff made its final appearance Wednesday night in San Mateo when they made a presentation to District Deputy Helen Troxel. Isabelle W. Lindquist, soloist for the staff, dedicated a new song to the new district deputy which she sang in place of the theme song she wrote for the Palo Alto staff.

Blanket Fund Finally Voted

Management of county buildings under divided authority of the board of supervisors and the county executive produced two clashes of opinion Tuesday afternoon.

County Executive Frederick Peterson refused authorization of a fund transfer to paint the county tuberculosis pavilion despite recommendation of Health Director C. C. Gans and a previous commitment by the board. He insisted and got a $1000 transfer to the courthouse and grounds funds without a detailed accounting of the proposed expenditure.

Meanwhile the board leased for three years at $125 monthly rental, with an option for two additional years at $140 a month the quarters on Middlefield Rd. now occupied by the county engineer. The property will be occupied by the county library, for which no suitable space was available either in the old courthouse or new annex.

ACOUSTICS CRITICIZED

The board also heard its new meeting place, with a 200 seating capacity, criticized for poor acoustics. Winfield Scott, secretary of the Civic League, informed the board that the acoustics were so bad that it was impossible to hear clearly in the rear of the room. He suggested that the problem be referred to an engineering student at Stanford for investigation.

When Peterson asked for the $1000 transfer, Chairman H. H. Smith informed him that no other department was privileged to come before the board with a request for funds for "this and that" without giving definite information.

Peterson explained $800 was required to provide a private office for the county controller, criticizing the board for failing to make such provision in the original plans. Asked what the other $200 was for, Peterson said he didn't know exactly but it was for "odds and ends."

"Are you keeping secrets?" inquired Smith.

"If you can't trust me, don't give it to me," he challenged. "I'll get receipts for what I spend."

BLANKET RESOLUTION

The money was finally voted in a blanket resolution for "alterations and equipment" for the courthouse construction fund.

Supervisor Fred Beer asked Peterson if he would recommend transfer of $500 to permit painting of the exterior of the tuberculosis pavilion and the Community Hospital, explaining that the current budget allowance of $2125 was $500 shy of the lowest bid.

"Some members of the board of health and welfare seem to think painting would do no good," said Peterson, referring to the pavilion. "They do not think it is in the proper place because the patients get no sunshine.

"When the United States Public Health Service survey comes through we may make other arrangements. I think it would be $500 thrown away, and that's why I'm holding back. They have enough to paint the hospital. Let them go ahead with that."

PROMISE IS RECALLED

Beer reminded Peterson that the board had promised Mrs. Florence Turner, state social welfare director, to renovate the building.

"The board is still willing to keep its promise," Beer said, "but if you are not willing, that's up to you."

Peterson reiterated his refusal to approve the transfer.

The board had before it a recommendation from Dr. Gans urging the transfer. The doctor explained he wanted to place himself on record as favoring the work.

From L. D. Howard, general manager of the General Fireproofing Co., the board received a detailed report showing it would be necessary to spend $17,536 for new desks, furniture, fittings and equipment for all county departments in the new office arrangements created by the courthouse annex. The report was filed for consideration.

Cotton Frees J. C. Student

Gerald J. Wallen, 21-year-old San Mateo Junior College student who continued his studies in the county jail, was free today to start taking final examinations at the end of this week. He was released Monday after completing four months of his year's sentence for hit-run driving.

Mrs. Sigrid Wallen, the youth's mother, embraced the youth as he left court. Both thanked Judge A. R. Cotton for giving the boy a chance.

Joseph J. Bullock, the youth's attorney, told the court that Wallen had been punished enough for the crime of which he was convicted. He was charged with negligent homicide and hit-run driving after his car allegedly struck and killed Mrs. Mollie Leahy, 72, at San Carlos Sept. 10.

Judge Stanley Murray of Madera County found the youth guilty of hit-run driving, not guilty of negligent homicide. In sentencing the young man to jail, Judge Murray said it would be the duty of the parole board to investigate his past record, and said if the board desired to parole him, the court would not oppose the recommendation.

The sentence started Jan. 27. Meanwhile Wallen became head trusty at the jail, in charge of the five or six trusted prisoners detailed to clean-up duty. Instructors from the junior college called regularly at the jail to keep Wallen in touch with his class assignments.

At the junior college this morning it was announced Wallen had made all necessary arrangements to take his final examinations. Wallen, a football player, is not a candidate for graduation this year, it was explained. This is his third, not his fourth semester.

Anderson Interviews Civil Service Chief

John Z. (Jack) Anderson, this district's representative in Congress, will be heard in another radio broadcast this evening at 8:45 p. m. over stations KQW in San Jose and KDON, Monterey.

Anderson will interview Harry B. Mitchell, chief of the United States Civil Service Commission, for the benefit of those interested in federal government functions.

D. A. TO QUESTION SLAYER

Dist. Atty. Gilbert D. Ferrell was awaiting arrival of Constable Fred Simmons from Half Moon Bay this afternoon for additional evidence before questioning J. Q. Vidal, San Gregorio pea picker, on the murder of Luther Davy, Negro camp boss Tuesday night.

Twenty or more kinds of food may be necessary in order to obtain a well balanced diet for a farm family.

HORSE TRAINER DENIES WOMAN SUING HIM IS HIS LEGAL WIFE

The tangled marital status of Clarence and Alice Eileen Shockley was given its first airing before Judge A. R. Cotton Monday as Shockley, horse trainer at Bay Meadows and other race tracks, told the court the plaintiff was not his wife and that he was married to another woman.

Although the judge cut short the testimony, ruling that it was not proper at a hearing on question of temporary alimony, full exposure of the situation was promised when the divorce case is tried.

Shockley told the court the plaintiff had an undivorced husband at the time she married the horse trainer; that Shockley considered the marriage illegal, left her, and married another woman.

Judge Cotton ordered Shockley to pay $50 a month temporary alimony on plea of William Hornblower, Mrs. Shockley's attorney, that she was in need of immediate cash.

Shockley pleaded poverty, stating he had lost heavily at Bay Meadows and at Florida race tracks, and in a real estate venture. He was ordered to pay $10 of the $12 in his pocket on account, $15 more before the week is up, $25 before the month ends. In addition he was assessed $50 for her attorney and $15 costs.

Shockley was restrained from transferring $8000 in a Sacramento bank, proceeds of the sale of a horse named "Batchelor." Shockley claimed the horse had been property of his present wife.

Lewis B. Winiger, Contractor Here 34 Years, Passes

Lewis B. Winiger, a painting contractor in Redwood City for the past 34 years and an active member of four lodges and of the First Methodist Church, passed away early Sunday at Stanford Lane Hospital, San Francisco, where he had been confined for nearly three weeks.

Mr. Winiger, who was 59, had been in failing health since the first of the year, but had carried on his business until a month ago. His death occurred at 12:10 a.m. yesterday.

Left to mourn his passing are his wife, Mrs. Mittie A. Winiger; a sister, Miss Rosa Winiger of Denver, Colo., and two brothers, Joseph Winiger of Rocky Ford, Colo., and Henry Winiger of Pinecliffe, Colo.

Mr. Winiger was a devoted member of the Methodist church and had served on its board of trustees for many years. He and Mrs. Winiger were responsible for the donation of one of the lots on which the church building now stands at the intersection of Broadway and Brewster Ave.

Robotham To Speak On Radio Program

Norman H. Robotham, former Redwood City resident and now publisher of the Pony Express Courier of Placerville, Calif., will be guest speaker tonight at 7 o'clock on the Question Box program, weekly program broadcast over Station KGO by the United States Travel Bureau. Robotham will speak on travel in the Mother Lode country, and will be interviewed by J. L. Bossemeyer, supervisor of the western office of the travel bureau.

California is segregating its tubercular insane in two hospitals for more effective treatment.

Atherton Residence Entered by Burglar

ATHERTON, June 6.—Burglary of his home was reported to Atherton police today by Victor Peoro, 30-year-old butler who works on the estate of a wealthy Atherton family.

The butler's quarters, located at the rear of the estate, were entered the evening before, according to Peoro. The intruder was almost caught, for when he left the house, he was seen by Mrs. Peoro, who shouted for her husband. Both gave chase but the burglar escaped.

Taken were a valuable gold watch, a wallet and $5 in currency. Mrs. Peoro said the intruder was a Filipino, about 28 years old, slight in stature and dressed in dark clothes.

LEGAL

NOTICE OF PROPOSED ABANDONMENT OF A PORTION OF A COUNTY ROAD.

NOTICE IS HEREBY GIVEN to all residents and freeholders that a hearing will be held on the 20th day of June, 1939, at 11:00 o'clock A. M. in the Chambers of the Board of Supervisors of San Mateo County, Redwood City, California, to consider the abandonment of the following described road in the County of San Mateo, State of California, as follows, to-wit:

"All portions of the County right of way within the property of R. K. Davies, and lying to the east of the easterly right of way line of State Highway No. IV-S.M. 107-A, bteween Engineers Stations 153+00 and 160+00, as designated on the Department of Public Works survey between Menlo Country Club and Woodside, in the County of San Mateo, State of California."

On the said day fixed for hearing, the Board of Supervisors shall hear the evidence offered by any party interested and at such hearing shall determine whether or not the above described highway is unnecessary for present or prospective public use.

DATED: June 2nd, 1939.

W. H. AUGUSTUS,
Clerk of the Board of Supervisors, San Mateo County.

Published in the Times-Gazette June 9, 1939.

Exchange Sees Film, Transacts Business

Redwood City Exchange Club members Tuesday viewed a sound film, "Yankee Doodle Goes to Town"; received Lloyd O'Donnell of San Carlos, purchasing agent for Bethlehem Steel Co. at South San Francisco, as a new member; named James M. Eva, Clement Baume and John J. Garland as a committee to aid in selection of a Sequoia senior to receive the club's $100 scholarship; appointed a committee headed by Harvey E. Conner to arrange the July 25 garden party at the home of C. L. Stokes, and voted funds to send a youth to the YMCA camp and to help offset the deficit incurred by the Junior Mariners' boat trip of last Sunday. A. R. Boyer was chairman of the evening.

PENINSULANS PASS BAR

Two Peninsulans, John L. Bradley of San Mateo and Gaylord Hart of Menlo Park, were among 21 graduate attorneys admitted to the practice of law in California before the State Supreme Court in Los Angeles today.

An efficiency expert estimates the average farm housewife takes more than 200,000 steps a year just to throw out the waste water.

Fire Chiefs Guests At Saturday Dance

Fire Chief Mark Ryan of Redwood City is to be among the honor guests at the sixth annual Firemen's Ball of the San Mateo Fire Department at Bay Meadows clubhouse Saturday night, according to invitations which had been sent out today.

Other guests of honor will be San Mateo city officials, Chief Ed Wheeler of San Carlos, Chief William Clemo of Palo Alto, Chief Fred Johnson of Belmont, Chief Wilkie Dessin of Burlingame and State Fire Marshal J. W. Stevens.

Gene Englander and his orchestra will be making their third consecutive appearance at the annual firemen's ball when they furnish dance music for the affair. Dancing is to start at 9 p.m. and continue until 1 a.m.

PEDESTRIAN HIT BY TWO CARS, DIES INSTANTLY

Struck by two machines, Patrick Lynch, 40-year-old jobless painter who, according to a card found in his pocket, lived at 810 Washington St., Oakland, was instantly killed shortly after 9' p. m. Tuesday on El caminao Real at Millbrae.

The southbound machine of Bernarr H. Nelson, 19, 610 Ninth Ave., San Mateo, struck Lynch first, according to the State Highway Patrol report made by Officers John Couch and Robert McGuinness. Then the northbound auto of Maurice L. Scacfe, 44, San Francisco, struck the pedestrian.

Suffering a crushed skull and other injuries, he died instantly.

According to the patrol, the motorists said they saw Lynch in the center of the highway too late to avoid striking him.

Coroner W. F. Crosby reported that he was attempting to locate relatives.

Lynch's death was the 34th traffic fatality of the year on San Mateo County highways. Last year at this time there had been 19.

SURVEY NEARLY COMPLETE

Dr. Francis A. Carmelia, United States Public Health Service surgeon in charge of the survey of the San Mateo County health department, predicted here that the report would be complete and in the hands of his superiors in Washington within two weeks.

Barn fires are among the most common causes of fire losses on the farm.

$30,000 Sought As County Share Of Relief Burden

County Executive Frederick Petterson announced here he would give his approval to the request of the San Mateo County Relief Administration for an appropriation of $30,000 in the 1939-40 budget. Although this represented an increase of $10,000 over the current year's expenditures, the increase is necessary to absorb those who are expected to be dropped from WPA July 1, it was explained.

Peninsula Flights At Mills Resumed

With the completion of construction work at San Francisco Airport, United Air Lines has resumed its 45-minute flights over Treasure Island and the bay area, it was announced today by S. A. Stimpson, regional traffic manager. The aerial tours will be conducted Saturday and Sunday afternoons and evenings and regular Mainliner equipment will be used.

Hassler To Build Treatment Plant

Plans for construction by San Francisco of an outfall sewer from the Hassler Health Farm down Cordilleras Creek to El Camino Real at San Carlos have been abandoned, the board of supervisors was informed Tuesday afternoon by County Engineer M. A. Grant.

His report said the sewer system, which would have served the territory through which it ran, had been refused federal support because the sewage was not to be treated.

Faced with an expenditure it did not feel it could afford, San Francisco abandoned the project in favor of constructing a sewage treatment plant at the health home, Grant reported.

S. S. F. Tideland Bill Passed by Assembly

SACRAMENTO, June 8 (AP) — South San Francisco was granted tidelands today in a measure passed by the assembly.

The amended measure reserved for the state, all mineral rights. The bill was passed previously but recalled to the floor for the mineral amendment.

Catholic Priest, Known Here, Dies

Local Catholic circles were shocked Monday to learn of the death in Los Angeles of Rev. Father Laurence Dowling, brother of Rev. Thomas Dowling who is a former pastor of Our Lady of Angeles Church in Burlingame.

Rev. Dowling, who passed away June 1, was associated with his brother in the Burlingame church for six years.

BANKERS ARE TRANSFERRED

SAN CARLOS, June 5—Lauren E. Hannah, formerly with the Bank of America branches in Redwood City and San Carlos, has been transferred to the bank's branch in San Mateo. A. L. Boucher, assistant cashier of the Burlingame branch, has been transferred to San Carlos.

... NOWHERE IN THE WORLD do people get so much for their telephone money as in America. No other people get so much service and such good service at such low cost.

FOR EXAMPLE, Long Distance. *Connections made all over America in an average of a minute and a half! Service is dependable, rates low. Especially attractive are the rates to most points, between 7 P.M. and 4:30 A.M. every night and all day Sundays.*

ELECTRIC COOKING COSTS ½ AS MUCH AS YOU THINK!

NEW FAST 1939 ELECTRIC RANGE combines LOW COST, SPEED, SURE RESULTS

Although thousands of electric range users in California know the reasonable low cost of electric cooking, a recent survey proved that guesses of those who did not know—averaged *twice* the actual cost.

Electric cooking is really economical cooking. Present low electric rates, highly perfected new heating elements in modern electric ranges, heavily insulated ovens that conserve heat, exact heat measurement at the snap of a switch which keeps current use down to a minimum—all contribute to the low cost of electric range operation.

Have you guessed an electric range is SLOW? *Guess again.* All of the 1939 Electric Ranges are completely equipped with Speed Units. These Speed Units are so fast and so intensely hot you will only use them for brief High Heat cooking periods. Most of your cooking will be done on money-saving Low Heat.

Have you guessed that electric cooking is DIFFICULT? *Guess again.* Electric ranges simplify cooking because of the miraculous automatic controls. Oven meals almost cook themselves.

Have you guessed that electric cooking is EXPENSIVE? *Guess again.* Electric Cooking costs have been dropping steadily downward. One reason is that the electric rate for cooking is now very low. Another reason is that the NEW Electric Ranges use much less electricity. $2.58 is the average monthly cost for cooking with 42,000 electric range users.

Come in today and see the new 1939 Electric Ranges.

Prices are low and purchase terms exceptionally easy.

Basis Is Seen For An Appeal

Robert H. Lee of Palo Alto, convicted of two counts of negligent homicide, Monday afternoon lost his motion for new trial and en-

tered a plea for probation. Judge A. R. Cotton set the hearing on the new motion for June 19.

According to E. D. Lakin, Lee's attorney, the motions for arrest of judgment, new trial, and probation are ground work for an appeal. He contended that an appeal may be taken after judgment is pronounced.

LEGAL

ORDER FIXING TIME AND PLACE FOR HEARING PETITION TO ABANDON A PORTION OF ALAMEDA DE LAS PULGAS.

BEFORE THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN MATEO, STATE OF CALIFORNIA.

A petition having been filed with this Board and the Clerk thereof by ten freeholders of the Second Road District of the County of San Mateo, praying that two certain strips of land lying along the southerly line of Alameda de las Pulgas, and the lines each designated as "Future Highway Line," as shown on that certain map entitled "Map No. 504, Acacia Lane Subdivision, same being a resubdivision of Portions of Lots 8 and 9, Johnson Subdivision in the County of San Mateo, near Redwood City, California," as recorded February 19, 1936, in Book 30 of Maps at page 71, and particularly described and bounded in said petition, to which reference is hereby made for greater certainty, are unnecessary for present or prospective public use, and praying for the order of this Board abandoning and discontinuing said parts of said Alameda de las Pulgas as a public highway and street of said county and district;

NOW, THEREFORE, IT IS ORDERED that Tuesday, the 20th day of June, 1939, at the hour of 2:00 o'clock P. M. of said day, at the chambers of said Board of Supervisors, at the County Court House in Redwood City, California, be, and the same are hereby fixed as the time and place for hearing said petition; that notice of such hearing be given by publication of a copy of this order in Times Gazette, a newspaper published in said County of San Mateo, for at least two successive weeks prior to the day fixed for said hearing, and by posting a copy of this order conspicuously along the line of the proposed vacation of said street or highway, and that on the day so fixed for said hearing, or on the day to which such hearing may be postponed, said Board will hear the evidence offered by any party interested, and that if it appears from all the evidence submitted that the parts of said Alameda de las Pulgas described in said petition are unnecessary for present or prospective public use, said Board will thereupon make its order abandoning and discontinuing such parts of said street or highway, or such other order as it may find proper in the premises.

Dated: May 23rd, 1939.

H. H. SMITH,
Chairman of said Board of Supervisors

(SEAL)

ATTEST with the seal of said Board affixed.

W. H. AUGUSTUS,
County Clerk and Ex-Officio Clerk of Board of Supervisors.

Published in the Times-Gazette May 26; June 2, 9, 1939.

TOTAL OF FIRES NEARLY DOUBLE THAT OF 1938'S

Two grass fires Tuesday afternoon on Kentfield Ave., near Woodside Rd., and on Palm Ave. were fires No. 244 and No. 245 for the fiscal year in Redwood City, Fire Chief Mark E. Ryan revealed here as he reported that the number of alarms nearly doubles that of last year and is an all-time high for the community.

The fiscal year will end June 31, and the chief said the department expects to cover quite a few more fires before the month is out. The previous record number of calls made by the department in any fiscal year occurred in 1936-37, when 191 were recorded. There were 131 to date last year.

Despite the rapidly-mounting new record total, fire losses have been kept at least as low as last year, although no official total has yet been compiled, Chief Ryan declared. Last year there was a loss of only $5300.

The record loss in any one fiscal year occurred in 1928-29, according to recent records, when fires caused $12,300 damage. Another peak was reached in 1932-33, at $8800, and again in 1934-35, at $9100. The loss in 1933-34 was only $1600, one of the lowest on record.

Bel Canto Chorus Will Sing at Fair

Fame of the Bel Canto Chorus of Redwood City has spread to Treasure Island, from whence it may spread over the nation this coming Saturday, it appeared Monday when the group was invited to sing at the World's Fair this weekend for a program to be broadcast over Radio Station KFRC and a nationwide hookup at 4:30 p.m. A recording of the program then will be rebroadcast on a coast hookup at 7:30 p.m. Five numbers will be sung by the group.

Bonus Given Poll Officers

What's this, bribery?

Not so, according to County Clerk W. H. Augustus. It merely proves, he said, that Neils Schultz, Millbrae, Highlands subdivider, is an honest man.

Augustus reported to the board of supervisors Tuesday that Schultz had more than made good his promise to pay election officers for the recent Millbrae Police District election, which dissolved the district in accordance with Schultz's wishes. Although the county paid each of the 15 officers $3, Schultz paid them each $5 more election morning and yesterday reimbursed the county. Total cost to Schultz, $120.

WRITER RETURNS HOME

SAN CARLOS, June 5—Barrett Willoughby, author of "Spawn of the North" and other novels, was back at her home in San Carlos today following a two months tour of Mexico with her husband, Capt. Larry O'Connor, who is a short story writer.

Heights of 1095 mountains on the moon have been measured.

Realty Firm Takes Larger Quarters

The Leonard Realty Co. has again increased its office space and leased the property at 706 El Camino Real, between Broadway and Brewster St. opposite the Greyhound Bus Station. The Lenolt Securities Corp. will also have offices at the same address.

The Lenolt corporation is a newcomer to Redwood City, although it owns considerable land here and in the Highlands of Emerald Lake just west of Redwood City.

The Leonard Realty Co. has been the agent for the properties of the Lenolt Securities Corp. for some years, and will continue in the same capacity. Lenolt at one time owned properties in Marin County, San Francisco and Santa Cruz County, but has disposed of practically all of its interests except in San Mateo County and as most of its business is now originating in Redwood City, it is establishing an office here to render better service to its clients.

Factory consumption of corn oil in the United States increased from 42,819,000 pounds in 1931 to 72,770,000 pounds in 1938.

Private Secretary Sentenced to Prison

Harold L. Young, alias Howard McAllister and Lewis G. Creaser, was sentenced to San Quentin Prison Monday by Judge Maxwell McNutt on charges of passing fictitious and forged checks drawn on the account of his former employer, L. G. Hersey, 239 Grand St., Redwood City. Young pleaded guilty a week ago. His motion for probation was denied.

Arraignment of Joseph Lodato, aged San Mateo resident, charged with assault to commit murder, was postponed for another week. His attorney, James T. O'Keefe, explained that Lodato will not be allowed to enter a plea until a group of physicians determines whether or not the defendant is sane.

This year the Washington freshman crew whipped the varsity for the first time in 20 years.

LUTJE HEARING SET JUNE 14

Preliminary hearing for Clyde Lutje, city fire department "call man" accused of setting a hay fire here last Saturday, was set by Judge E. I. McAuliffe for 10 a. m. June 14 when the suspect was arraigned in the local police court today. He remains free on $100 bail.

The number of stock sheep in the North Atlantic states dropped from a peak of 9,627,000 in 1867 to 870,000 in 1939.
